AT-A-GLANCE

- Founded in 1986 with over 30 years of experience
- Wide range of industrial equipment such as pumps and FGFD
- Installation, Commissioning, and Service
- Site Intervention, Supervision & Troubleshooting (field services)
- CAD Design & Engineering Services
- Spare & Critical parts stocking
- Certified / Authorized Service Center
- ISO 9001 : 2015 Certification
- Repair and Service onsite with an emergency 24/7 call service
- Turn-key solutions
A family-owned organization, built on principles of trust and transparency, integrity and innovation. Sherbiny is renowned for premium products, solutions, and outstanding service benefiting customers in Saudi Arabia, the GCC region, and Central-Eastern Europe since 1986.

Our team is composed of experts in their respective fields and share one common philosophy - a constant drive for innovation and excellence. A focus on strong family values and heritage has enabled Sherbiny to become one of the most successful companies in the region.
LOCATIONS

SHERBINY SALES LOCATIONS

// Key Metrics

40,000+ GAS DETECTORS INSTALLED

2,500+ PUMPS INSTALLED

100% COVERAGE OF SAUDI ARABIA
Sherbiny offers a wide range of premium mechanical, instrumentation, electrical, and automation equipment from internationally recognized and market-leading manufacturers.
SHERBINY OFFERS

Continuous Flow Pumps

Positive Displacement Pumps

Samplers & Sample Conditioning

Overpressure Protection

Turbines & Generators

Connection Components & Couplings
CONTINUOUS FLOW PUMPS

- API-610 Pumps
- API-685 or ASME B73.3 Pumps
- General Industry High Pressure Pumps
- Operational Spares & Accessories

POSITIVE DISPLACEMENT PUMPS

- API-675 Pumps
- API-674 Pumps
- Air Operated Double-Diaphragm Pumps
- Operational Spares & Accessories

SAMPLERS & SAMPLE CONDITIONING

- Automatic Samplers
- Manual Samplers
- Sample Coolers
- Heat Exchangers
OVERPRESSURE PROTECTION

- Certified Rupture Discs
- Isolating Pressure Relief Valves

TURBINES & GENERATORS

- Hydraulic Energy Recovery Systems
- Micro turbines [Up to 250kW/unit]
- Small hydro turbines plants [10MW – 50MW]
- Large hydro power station [50MW and larger]
- Pump Turbines

CONNECTION COMPONENTS & COUPLINGS

- Highly Flexible Couplings
- Variable Speed Couplings
BRANDS INCLUDE

Sundyne
Milton Roy
Fike
Tuthill
Crane
Voith
Sentry
Ferri
Vítkovice
SHERBINY OFFERS

Fixed Gas & Flame Detection

Combustion Systems

Process Instrumentation

Motors

Signalling & Communication

Industrial Control & Automation
FIXED GAS & FLAME DETECTION

- Combustible / Toxic Gas Detectors
- Flame Detectors
- ELDS Gas Detectors
- Ultrasonic Gas Detectors
- Operational Spares & Accessories

COMBUSTION SYSTEMS

- Oil & Gas Shut Off Valves
- Industrial Burners
- Burner Management Systems

PROCESS INSTRUMENTATION

- Field Instruments (Pressure, Flow, Level, Temperature)
- Flow Elements
- Pressure Gauges
MOTORS

- Efficient & Dynamic Motors
- Motor Control Centers
- Full Integration & Service
- Excellent Reliability

SIGNALLING & COMMUNICATION

- Industrial Audible Devices
- Visual Signalling Devices
- Communication Systems
- Fire Detection Systems

INDUSTRIAL CONTROL & AUTOMATION

- Automation & SCADA
- Controllers
- RTUs
- VFDs
- Switches
- Annunciators
BRANDS INCLUDE

- General Monitors by MSA
- Federal Signal
- GE
- CCS™
- Siemens
- Maxon
- Vega
- Autronica
- Ronan
Sherbiny’s life safety solutions division is committed to delivering the highest quality turn-key solutions for our clients with locally assembled products.

Sherbiny utilizes our wide network of trusted international manufacturers as well as our local assembly and expertise to deliver solutions that are suitable for the high standards of safety required by your operations.

Sherbiny is a regional leader in delivering life safety equipment and solutions to our customers. We offer the highest quality industrial audible & visual signalling equipment as well as cutting edge complete fire detection systems.
Sherbiny’s Fluid Handling Systems division is committed to delivering the highest quality **turn-key solutions** for your requirements complete with **local assembly & fabrication**.

Our focus is on both mobile and permanent skid solutions to serve the oil & gas, food & beverage, petrochemicals, power & water, and mining industries, as well as other industrial purposes.

Sherbiny utilizes a **custom modular skid** package solution that enables us to deliver the solutions you need on a cost-effective and efficient basis.
Sherbiny offers a variety of specialized types of mining logistics operations with the highest levels of safety and security such as:

- High Quality Tracks (Monorail, Rail, Trackless)
- Cabins & Containers (Rescue, First-Aid, High-Speed)
- Braking Trolleys
- Suspended Hydraulics
- Hose Reels
- Additional Small Mechanization Parts
Sherbiny Critical Power Solutions are capable of solving the challenge of maintaining critical power in industrial or civilian operations. Sherbiny Critical Power Solutions will make sure your power supply is reliable.

Sherbiny provides:

- Automatic Transfer Switches
- Uninterruptible Power Supplies

Furthermore, Sherbiny is capable of locally assembling and providing complete turn-key electrical solutions.
Sherbiny Process Heating & Air Pollution Solutions specialize in different types of industrial burners, shut-off valves, and burner management systems into complete turn-key solutions for all your combustion needs.

- Combustion Systems & Equipment
- First out annunciation
- Temperature controllers
- Weatherproof enclosures
- Hazardous conditions acceptable
- Easy-to-operate switches
Sherbiny Storage Tank Solutions offer the highest quality materials to guarantee safe storage for a variety of uses such as wastewater treatment, cereal, grains, as well as other industrial and agriculture uses.

Our glass-fused to steel tanks have a long heritage of international success, and our enamel technology offers the latest in efficient storage material technology.

Our storage tanks are customizable to meet your demands, offering various types of roofs as well as premium material design.
The Sherbiny Engineering group is ISO 9001 certified, and offers you quality solutions across all energy sectors. The diverse team from Sherbiny Engineering can cover all your engineering needs including 3D Modeling, FEED to RCA, consultations, cost-estimations, and feasibility studies.

By combining our mechanical, electrical, and instrumentation expertise with our engineering services; Sherbiny provides a total solution for your project needs. Sherbiny has been trusted for over 30 years serving clients across the Industrial, Power, Petrochemical, Oil & Gas, and Water Industries.
Sherbiny offers a wide range of technical services such as installation & commissioning, stocking of operational spares, after-market support, and technical consultation.

Our ISO 9001:2015 authorized certified service centers are capable of handling all your service needs, and our multiple locations around Saudi Arabia allow us to quickly handle any situation.

Sherbiny has been trusted for over 30 years serving clients across the Industrial, Power, Petrochemical, Oil & Gas, and Water Industries.
Sherbiny is committed to implementing state of the art local manufacturing and assembly lines locally in Saudi Arabia in accordance with Vision 2030 as well as the Saudi Aramco IKTVA program.

Our initial range focuses on local assembly of electrical & instrumentation equipment, as well as chemical dosing skids.

Sherbiny is proud to be your premier local manufacturing & assembly partner in Saudi Arabia.
